A Statement of Faith

A half century ago, Milward Simpson was the governor of Wyoming. He was a Christian who trusted God without question. He and his wife often shared this statement of faith, written by James Dillet Freeman:

The light of God surrounds us,
The love of God enfolds us,
The power of God protects us,
And the presence of God watches over us;
Wherever we are, God is.

Governor Simpson once told of flying in an airplane that developed engine trouble. Instead of giving in to fear, he and his wife held hands and together recited the words they tried to live by. The plane landed safely.

Having a positive statement of faith can be helpful in many situations. Why not create one for yourself and your family — or use the prayerful statement the Simpsons recited.
