The Open Door

Volume 12, No. 6

June 2015

Dear Friends,

Summer is upon us. School is out, vacations are planned and many of us are registered for camp. I want to encourage you to think of one more camp or vacation to add to your summer schedule: BIG TENT. Big Tent is the PCUSA family reunion of sorts that happens every other year. At this gathering of Presbyterians, there are no votes taken, only fellowship, study and worship shared with one another.

Worship is always excellent. Fellowship is heavenly as you run into old friends and meet new ones. The workshops and study sessions are stimulating for personal spiritual growth as well as enriching for congregational formation. There are displays of all things Presbyterian and a few things that aren't. There are fair trade booths and advocacy groups as well as lots of fun giveaways from the different offices of the PCUSA. You will learn more about the mission of the church as well as educational

offerings and financial investment opportunities.

The workshop choices are nearly endless and run the gamut from new PCUSA Sunday School curriculum to the mission initiatives around education and poverty eradication. Interests from earth care to human trafficking are represented. There are opportunities to learn about what mission coworkers are doing around the world as well as how to encourage generous giving in a congregation. If you can think of it, I bet there is a workshop on it at Big Tent.

You can find all the workshop information as well as the general information at www.pcusa.org. Here are the basics: dates: Thur, July 30 – Sat, Aug 1; cost for commuters (which includes the program, parking and meals) is \$295 for adults; if you want to stay at UT then the cost is \$395. First child is \$150 for ages 6 and up; \$100 for 5 and under. Additional children in each family are \$75

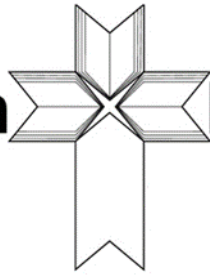

each. The cost for children is completely inclusive of program, lodging and meals. (And our own John Knox staff will be leading the children's program.)

If you aren't sure you want to participate in workshops, but still want to participate in some way, sign up to be a volunteer – let Wendy or Will know and they will pass your name along. If you want to go but the cost is a barrier, let Wendy know. Bethel has scholarship money available to help. Also, if you have never been to Big Tent, the Presbytery Peacemaking Committee may also have scholarship funds left.

Here's the crucial information: the deadline to register for Big Tent is Friday, June 19. After that deadline, the cost increases, so please register by June 19. I hope many of you will take advantage of having a denominational gathering so close to us and be at that family reunion July 30 – Aug 1.

Grace and peace, Wendy

Learn More About Guatemala

Last week the group that will go to Guatemala in June watched the documentary *A Precarious Peace - God & Guatemala*. Afterwards group members agreed that other members and friends of Bethel might find this DVD informative. Anyone who is interested can join the Sunday School class that meets in the Barber Library at 9:30 on Sundays 5/31 and 6/7 to view and discuss this provocative DVD. Study guides for it can be found on the table in the library. Karen Schall, a member of the group visiting Guatemala, will lead the discussion.

Library Sunday School Class -

Reflections on Health Care

With teacher Mark Banker away from Sunday 6/21 to Sunday 7/12, the Library Sunday School class will break from its normal reading/discussion regimen and engage in a "mini-course" devoted to religious dimensions of our nation's ongoing debate over health care. Class members and health care professionals Cyndi Fowler, Elaine Steele and Susan Garner will lead the discussions.

Join them 9:30 each Sunday in the Barber Library.

Please keep the Guatemala mission team in your prayers. The team departs for Guatemala on June 20 and returns on June 27.

Oops! Have we Forgotten Something?

Goodness gracious! There is a lot happening at Bethel. Just finished a successful yard sale to raise funds for our planned mission trip to Guatemala this summer, a successful Ladies Luncheon, service to others at Save Our Saturdays (SOS), Love Kitchen, Hands of Mercy, support for CASA, and that is just what comes to mind as I sit in front of the computer this Sunday afternoon. Were I to refer to the narrative budget, I could expand way beyond the above. Bethel is a church looking outward, where there are needs, doing, I think, what Christ tells us to do as Christians. As Pastor Wendy describes us we are a boat sailing upon the waters, going where the winds of need dictate.

We have so many blessings. As a community, we genuinely like one another, despite our diversity on many fronts; we have a caring and nurturing Pastor who leads by example from the front; we have a music worship program of a quality well beyond our modest size; we are working hard to find ways to knit our generations together to learn from one another; we have dedicated lay leadership; and on and on. But you know, sometimes in this hustle and bustle of doing good things we forget that it takes resources to sustain our ministries...utilities, repairs, mortgages, salaries, program costs, and our obligations to the larger church—all the things so well outlined in the narrative budget. Have we just

been too busy with our programs that we have overlooked taking care of our home base? We typically need to remind ourselves of our obligations to the church during the summer, but its only April, and our giving is lagging in an unsustainable fashion. Lets all take a moment and review what we said as a matter of faith budgeting what we would do and catch up... reflect, and step up to catch up with our contributions to Bethel. Those of us who can might consider taking an extra step so that we can bring our routine giving into line with what is needed to sustain and grow our programs...because the winds of need won't stop blowing and Bethel needs to be sailing up front to meet those needs.

Frank Harris for the
Generosity Team

The bell ringers are closing the cases and folding tables, stands and music for the summer. We have become better friends and are happy in sharing music with you all. We will be joining the choir in a pot luck after church on Sunday, June 28 at the home of Jackie Rylander. Change to your casual clothes and be ready to canoe, kayak, swim, play badminton, or enjoy the view! Members bring spouses, lawn chairs and a dish to share. Thanks to all who have participated and come join in the fun!

Coming Up:

The TN **Polk Salad Festival** will be held on June 6th from 10-4 at the Riverfont Park in Harri-man. Several of our Bethel folks are involved with Family Promise of Roane County and will be manning a booth at the festival. The will be providing information and home-baked goodies. Please stop by the booth to say hello and find out more about this group. If you'd like to help out by baking a batch of cookies, please contact Jan Rybka for more details. See you at the festival!

Dames at Sea, the campy Broadway show that spoofed the Hollywood musicals of the 1930s opens in Spring City at the Tennessee Valley Theater in June.

Dianne Griffith makes her directorial debut, and also appears as the temperamental Broadway diva, *Mona*.

Ruby (played by Bernadette Peters on Broadway) joins the theater troupe as they prepare for opening night, and meets Dick, a sailor who also has ambitions as a songwriter. Disaster strikes and the show has to open on the deck of a battleship that just happens to be passing by.

Great songs, great dancing, and great actors delivering lines that will have you laughing in your seats.

June 12- 14 & June 19-21.
Friday and Saturday show times are 7:30 and Sunday show times are at 2:00.
Admission is \$12.00. Group discount (15+ reservations required) \$1 off. [423-365-7529](tel:423-365-7529)

Partnering With KARM

The church has enrolled in a partnership opportunity with Knox Area Rescue Ministries (KARM). The program is called Corners of Your Field. This program encourages attendees of our church to be intentional about selecting their gently used household items for donation to KARM Stores. The stores then return a portion of the value of these items in the form of gift cards to our church to help those directly in your care.

How does Corners of Your Field help our church?

Corners of Your Field provides a practical way to meet the Biblical mandate of caring for the hurting and homeless, and gives you a plan to do so. Corners of Your Field puts resources, beginning with gift cards* to KARM Stores, in the hands of every partner church. We recognize you know the needs of your community better than we do and want to equip you to make a difference.

•Since enrolling in this partnership Bethel has received \$70 in gift cards and one "25% off any purchase" coupon which were donated to Roane County Cooperative Ministries for distribution

How does this partnership work, practically?

The process is quite simple.

Individuals or families donate their gently used items to KARM Stores.

The KARM Stores employee serving them will ask the name of your church.

Quarterly, your church will receive gift cards to KARM Stores that can be given to anyone who comes to your church in need. And, donors are still able to take advantage of the tax-deduction with every gift to KARM Stores.

Sunset Gap Support

We continue to collect items for Sunset Gap Thrift Store here at the church. Clothing and small household items are needed year round. New and gently used items are always welcome. Baby items and children's clothing are always in high demand. Items for Sunset Gap can be placed in the Sunset Gap closet here at the church anytime. Inquire in the office if you require an acknowledgement of donation letter for tax purposes.

Amphitheater – Memorial and Honorary Sidewalk

The Amphitheater Team is selling bricks to raise money to build an amphitheater on the TVA land behind Bethel (a small portion of the land is owned by Bethel.)

Line the walkway to the proposed amphitheater with an engraved brick to express gratitude, honor a loved one, show your business's support of the amphitheater or simply leave a lasting legacy in the community. Below is the cost for a brick.

- \$50.00 donation: Brick will be 4" X 8", maximum of 3 lines, 13 characters/spaces per line
- \$100.00 donation: Brick will be 8" X 8", maximum of 6 lines, 13 characters/spaces per line
- \$150.00 donation: Logo Brick will be 8" X 8"

Welcome!

A heartfelt welcome is extended to our newest member, Susan Garner. Susan shares the following information about herself:

After growing up in the beautiful Sequatchie Valley in Dunlap, TN, I attended Middle Tennessee State University. After earning both undergraduate and graduate degrees, I came to Roane County in 1974 to begin my career at Roane State Community College. I taught a variety of health, physical education and wellness courses and also worked as the coordinator of academic advisement and as the dean of students.

I am certified as a Healing Touch practitioner and am trained as a hospice volunteer. I enjoy learning and am a student of the Enneagram. I enjoy traveling, reading, aqua aerobics and spending time with my family. I am married to Bobby and our son is Matthew. My greatest joys are my grandchildren Reese and Tate.
