

# THE OPEN DOOR

VOLUME 5, ISSUE 11 NOVEMBER 2008

## FROM THE PASTOR

We all know that Bethel stands at a unique moment in our collective history, poised as we are near the completion of our building project. We have the wonderful support of fellow church members, a strong standing in our local community and Presbytery, and extremely capable lay leaders whom I know will continue to step forward in prayer and commitment in this exciting last “push” towards the completion of our goal. Of all the things we’ve accomplished thus far – the many hours of prayerful and careful planning, the shared vision for mission and ministry, the dollars donated, the love poured forth – perhaps no moment looms larger for us than this Saturday as the Evangelism Committee sponsors a **“Planning for Growth” Workshop, 9-12 noon November 1** at the Kingston United Methodist Ministry Center. All of our many and well-intentioned efforts to do that which God has called us to do will fall short unless we truly re-focus our sense of spirituality and dedication on inviting others outside the church to come and partner with us. “Evangelism” is not a four letter word but stands at the heart of what it means to be in a living, vital relationship with Jesus Christ; evangelism is not what a committee or the pastor does, but who we are as disciples who dare to claim the Lord as the sole source of allegiance and devotion. For the purposes of Bethel Presbyterian Church, there is no word more central to our life together at this moment in time than evangelism. Join us this Saturday as we listen for how we can become an even more welcoming, inviting, hospitable, loving community of faith . . . . how we can use our

fantastic new facility to reach out to others . . . how we can grow in our ability to share our personal faith story and let others know about the amazing grace that has touched and transformed us. As the Bethel journey continues, our ability and commitment to share our faith will be the strongest measure of our response to God’s call. Please join us this Saturday!

And thanks to each for your prayerful concern following my recent surgery and resumption of radiation and chemotherapy treatments. Since the cancer in my femur is the same cell as I had several years ago in my thymus, my oncologists believe it is quite treatable. I’ll receive 15 radiation treatments and an amount of chemotherapy that has not yet been determined. If all goes well, I hope to participate in the Buddy’s Race Against Cancer in Knoxville on November 16 (t-shirt making party the day before at our house on Lawnville Rd!), and would love it if all of you could walk with me, too! With faith that comes from our trust in the power of God to do all things, we believe that God will continue to bless our life together in the Church. Thanks, as always, for all your kindness and prayers. The session is available to field any questions you might have

and, once again, the Reverend Bill Shenk has graciously offered his pastoral assistance as needed, as well as the Reverend Patricia Harvey when she returns late this fall. Let us not grow weary or despondent in responding to the voice of the Lord, the one who promises to make all

things new.  
In Christian fellowship,  
Marc Sherrod, Minister

### FROM THE PARISH NURSE

On November 21<sup>st</sup>, Cathy Cole, R.N. and I will attend the Tennessee Cancer Coalition and Rural Health Association's roundtable discussion as representatives of the Roane County Health Council. It seems that Roane County has been identified as having a cancer mortality rate that is at least 25% higher than the state rate. In this month's article I want to explore 10 myths about breast cancer.

**Myth 1: Having a risk factor for breast cancer means you'll develop the disease.**

No single risk factor means you'll definitely get breast cancer. Some of the risk factors that increase your likelihood of obtaining cancer is smoking, drinking to excess (greater than 5 alcoholic drinks a week year after year), starting your menstrual period before age 12 and continuing after age 55 and not having your first full-term pregnancy until after age 30.

**Myth 2: If there is no breast cancer in your family, then you're not at risk for the disease.** Every woman is at risk. So are men!

**Myth 3: Breast cancer is passed only from your mother, not your father.** Breast cancer genes can be inherited from your dad's side of the family. So ask relatives about cases on both sides in both men and women. About 2,000 cases of male breast cancer are diagnosed in the US each year.

**Myth 4: No matter what your risk factors are, you really don't have to worry about breast cancer until you're through menopause.** Breast cancer can occur at any age. However, the odds do increase with age. Yearly mammograms are suggested after age 40.

**Myth 5: Wearing a bra or using antiperspirants and deodorants increases your risk or breast cancer.** It is not true that wearing a bra, especially under wire bras, traps toxins by limiting lymph and blood flow in your breast, increasing risk. There's also no proof concerning the claims that antiperspirants and deodorants cause cancer by keeping the body from sweating out the cancer-causing substances that build up in the breast, or because they contain harmful chemicals that are absorbed through the skin.

**Myth 6: If you have small breast, you're much less likely to get breast cancer.** Small breast, large breasts- size doesn't matter. Anyone can get cancer.

**Myth 7: Research shows that using hormone therapy—even for a short period of time—causes breast cancer.** Many women were understandably alarmed when a major study found that hormone therapy combining estrogen and progestin increased risks of invasive breast cancer slightly. **It is important to note however that no studies have found an increase in breast cancer risk for women using estrogen- only therapy.** This type of therapy is used for women post hysterec-

tomy.

**Myth 8: Eating high-fat foods and dairy product boosts your risk.** Women from other countries that have diets lower in fat have a lower risk of breast cancer. Why? Or could it be their lifestyle or that they exercise more or eat healthier or don't smoke? Harvard's Nurse Health Study a large-scale study of 120,000 women, found that premenopausal women who ate a lot of dairy products, especially low-fat and fat-free one, ran a lower risk of breast cancer. The study found no link between dairy product consumption and breast cancer risk in women who are past menopause.

**Myth 9: Mammograms can prevent breast cancer.** Mammograms can only screen for cancer they can't prevent it. For women younger than 40 an ultrasound or MRI (magnetic resonance imaging test) should be done to check for abnormalities in their young, dense, breast tissue.

### ENVIRONMENTAL REPORT

Some things to try if you are interested in saving energy or avoiding harsh chemicals:

1. Put a dry towel in your dryer with a wet load to cut the drying time
2. Use a white vinegar solution to clean tile floors.
3. Place a coffee filter inside a cast-iron skillet to absorb moisture when it is not in use.
4. Line the bottom of flower pots with coffee filters to prevent soil from falling through the drainage hole.
5. Use coffee filters to blot liquids off sofas or fabric car seats. They are lint free.
6. Use a coffee filter to buff shoes. A dry, used coffee filter can be used on brown shoes.
7. If you don't want to use a whole box of baking soda to freshen your refrigerator, just put some soda

in a coffee filter and tie the top. This works as well as a full box.

(All coffee filter ideas are from the November 2008 issue of *This Old House* magazine.)

8. Dirty microwave? Fill a coffee mug with water and a couple of slices of lemon.

Cook it for a couple minutes then let it set in there for a few more. The steam will loosen up all that junk food you left, and the scent of lemon will hide all remaining odor evidence. A quick wipe down with soapy water and you're back to factory clean...

**The Evangelism Committee Planning For Growth Workshop** will meet on **Saturday, November 1<sup>st</sup>** at 9:00 AM in the KUMC Ministry Center. We are looking for any and all new ideas and people willing to help us think about greeters, signage, advertising, inviting others, and the many others ways we can be ready to take full advantage of the appeal and draw of our new facility. *Donna Hopstead*, a consultant on Evangelism with our Presbytery will lead the workshop.

**Tree & Trail Clean-Up Day at Camp John Knox** *Work Groups Needed Saturday November 1<sup>st</sup>*  
Looked around John Knox lately? Due to storms and pine beetles many of our trees are on the ground! We need your help chopping firewood, chipping limbs, cutting dead trees, and pruning back trails around camp. Bring your work gloves, chainsaws, and pruners for a full day! Coffee jump start begins at 8:00am at the Dining Hall, lunch provided. Due to the use of machinery we ask all participants under the age of 18 be accompanied by a parent or responsible adult. Live a long way from camp? Spend Friday night here with us. Registration for Tree & Trail Day required. Contact our office at (865) 376-2236.

Time Change  
**Sunday November 2<sup>nd</sup>**

**10,000 Villages:** On November 9, there will be a baked potato and salad bar luncheon immediately after 10:30 worship. 10,000 Villages (the Village Marketplace) will be selling their items and we will have a gift wrap table. Donations for the luncheon and gift wrapping will be credited to the individual youths, and will help pay for camps, trips, etc.

**Women's Retreat-** November 7 - 9  
Tired? Need a chance to unwind, be still, and listen to God's voice? Slow down and take time for God and you at the 7th Annual Women's Retreat at the John Knox Center. This weekend is designed to minister to you, a woman in today's world being pulled in a hundred different directions. Jill Murphy, former editor of Knoxville Christian Family and Tennessee Christian Living magazines, is a dynamic keynote speaker with real life experience and stories that you can relate to. Massage therapy, craft and cooking classes, canoeing, hikes, and plenty of time own your own are Sabbath Keeping Options you can choose. Register online at [www.johnknoxcenter.org](http://www.johnknoxcenter.org), click on "Calendar of Events". Scholarships for this ministry are available, please contact our office at (865) 376-2236

The **Buddy's Race Against Cancer** will be Sunday, November 16, 2008, 3:00 pm, at the World's Fair Park, Knoxville. This 5K Walk 'n Run will support local efforts to prevent cancer, particularly among our medically under-served citizens. A Kingston team is forming under the team name, "**Run for Rebecca.**" Rebecca Murray is the adult daughter of the secretary at the Kingston Church of Christ. ([buddysrace.org](http://buddysrace.org)) or use a registration form on the table in the narthex.

## Annual Fall Concert

Who: Knoxville Choral Society and orchestra  
What: **2008 Fall Concert** sponsored by the Tennessee Arts Commission and WUOT 91.9 FM  
Featuring KCS' Knoxville premiere of Karl Jenkins' ***The Armed Man: A Mass for Peace*** as well as selections by the Knoxville Chamber Chorale  
Where: Knoxville Convention Center Lecture Hall  
When: Saturday, November 15, 8:00 P.M.  
Tickets: \$15/\$12 for veterans and military personnel ; may be purchased at [Knoxtix.com](http://Knoxtix.com) or at the door

For more than 50 years, the Knoxville Choral Society (KCS) has brought beautiful music to the East Tennessee area, but this season's fall concert features one of the most stunning and provocative works we've ever performed. Karl Jenkins' ***The Armed Man: A Mass for Peace*** grapples directly with the eternal problem of war.

Built around a fifteenth-century French song that warns, "The armed man must be feared," the work doesn't shy away from the violent—even seductive—nature of battle, even as it calls for an end to armed conflict. It draws from a number of cultural touchstones, including the Christian Mass, Islam's call to prayer, South American drum rhythms, and stark poems from post-nuclear Japan. The listener's journey through this work is by turns gut-wrenching, electrifying, and emotional—culminating with an exquisite harmonic plea for a peaceful new millennium.

"It isn't often you have the chance to hear a work with such raw emotional power," says KCS conductor and artistic director Dr. Eric Thorson. "We hope to draw a large audience for an event this important." The Knoxville Chamber Chorale (KCC), under the direction of Bill Brewer, will also perform selections in keeping with the theme of peace. The KCC is comprised of auditioned singers chosen from the KCS membership.

Sponsored by the Tennessee Arts Commission and WUOT 91.9 FM, the concert takes place on Saturday, Nov. 15, in the Knoxville Convention Center Lecture Hall at 8:00 p.m. Tickets are \$15 (\$12 for veterans and military personnel) and may be purchased at [Knoxtix.com](http://Knoxtix.com) or at the door.

## Advent by Candlelight

A Festive Evening for women  
Hosted by KUMC Women's Ministries  
Thursday, November 20  
7:00 p.m.  
2008 THEME: CHRISTMAS AROUND THE WORLD

**Poinsettias:** Each Advent Season, poinsettias beautifully adorn our church sanctuary. You may purchase a poinsettia in honor or memory of a special person in your life.

Poinsettias will be delivered the week of December 1<sup>st</sup> and can be taken from the sanctuary following the Christmas Eve Service. The cost per plant will be \$10.00, with any profit going to Bethel/KUMC Youth programs. If you wish to purchase a plant, please place your order blank and check in the offering plate or turn it in to the church office before November 3. *Poinsettias purchased for Bethel will go to the new sanctuary if the move occurs before Christmas.*

## BETHEL CHRISTMAS BASKET AND ANGEL TREE INFORMATION

### Christmas Food Baskets

This year, the Mission Outreach committee would like your help in providing Christmas Baskets for 30 families as well as gifts for approximately 60 children under the age of 16. In addition, we would like to provide food and small gifts for 10 elderly people. Last year, Bethel spent over \$1700 on food for the Christmas Baskets. As always, we depend on the generosity of our congregation to fulfill this mission. In addition to monetary contributions for food, we need shampoo, bath soap, bubble bath, dishwashing soap, combs, toothpaste, toothbrushes (adult and child) and other items not covered by food stamps. These will be divided among the families.

As in the past, handmade items such as gloves, caps and afghans are always appreciated by the elderly in nursing homes and assisted living facilities.

If you are interested in sponsoring an elderly person or a child, please contact Jane B. Walsh. I can be reached at 376-5250 or [pwalsh8372@bellsouth.net](mailto:pwalsh8372@bellsouth.net) or at church. Names should be ready by Sunday, November 9, 2008.

We are also looking for "turkey angels" who will buy and store one or more turkeys until distribution date. We would like to have 4 or 5 orders of apples from the band fruit drive. If you can commit to helping out with turkeys or apples, please contact Peggy Sheppard at 376-7079 or the church office.

This year, we plan to set up in the KUMC Fellowship Hall, Friday afternoon, December 12, 2008 with the distribution from the Fellowship Hall Saturday from 9 – noon on December 13, 2008. If you can help either time, please contact Jane B. Walsh.

We have had numerous expressions of gratitude from the recipients of this program. This year your support will be especially needed and appreciated.

More information will be provided in the weekly bulletins.

Don't forget to save your **Campbell Soup Labels**. Trim them down to size to only the UPC barcode and the adjacent "Labels For Education" insignia. Give them to Jane Walsh or Joe Coen. We have plans for a new container to collect the labels in our renovated building.

### Angel Food Ministries

You may have noticed that our monthly calendar includes entries each month for dates for Angel Food distribution. If you'd like more information, you can check their web site. It gives lots of information, along with menu ideas for the month's supplies. It also gives a shopping list of needed items not included in the angel food groceries. The web address is: <http://hillbillyhousewife.com/angelfood/>. Jane Walsh is Bethel's contact person.

**Looking Ahead:** will be a congregational meeting for the election of officers on December 7, 2008.

Bethel's **Book Discussion** group meets on the last Friday of each month to discuss books of interest. The book selections for the coming months are: November: *The Story of Edgar Sawtelle* by David Wroblewski; December: luncheon meeting - time and place to be announced; and January: *The Secret Life of Bees* by Sue Monk Kidd. (Note: due to the Thanksgiving holiday, the November meeting time may change. Please check your Sunday bulletin for time and location.)

## CHILDREN'S CHOIR CHRISTMAS PROGRAM

This year's program, *Twinkle and the All-Star Band*, will be on Sunday, December 14 at 6:00 in the evening in the Fellowship Hall. Children of all ages are invited to participate – join us for practice on Sunday mornings in the annex from 8:30-9:25. Breakfast provided.

### Thanksgiving and Prayer

When Paul sent a letter to the church at Philippi, he told his friends how he felt about them. Finish this puzzle to read what Paul wrote in Philippians 1:3.

Match words in the list below to the correct word shape. Then write the letters inside each shape. In the circles, draw the faces of people you're thankful for in your life.

## Prayers for our Church Family

## Our Military

Cathy McDowell has gathered the names and addresses of our military. It would be great if we could send cards to them -- they don't know all of us, but just to know that someone from Bethel was remembering them would mean a lot. Below are the six names and addresses that Cathy is aware of. If you know of any others, please pass them along to Cathy.

### Youth News

As always, our youth group is a whirlwind of activity. Here's what's on tap for the month of November:

Nov. 1: Sr. High retreat at Camp John Knox.

Nov. 2: Regular youth group time; no planning meeting.

Nov. 9: Baked potato and salad bar luncheon immediately after 10:30 worship. 10,000 Villages (the Village Marketplace) will be selling their items and we will have a gift wrap table. Donations for the luncheon and gift wrapping will be credited to the individual youths, and will help pay for camps, trips, etc. A movie at the youth center will follow.

Nov. 15<sup>th</sup>: T-Shirt design party for the Buddy's Race for the Cure

Nov. 16<sup>th</sup>: Buddy's Race for the Cure

Nov. 23 and 30: Work on the Bethel/KUMC combined youth float in the Kingston Christmas Parade.

### Notes and Letters

From Jill McMaster:

Hats for Homeless Children: We currently have 4 completed hats and at least 2 more "on the needles." There is still time to knit a hat before I turn in our contribution the first week of December. It's easy, it's fun. It's great exercise for arthritic hands. If you wish the pattern, e-mail me at: jillmcm@aol.com. Many thanks.

Dear Friends at Bethel,

I sure do miss you all! Hi to all of you. I still feel connected and keep in touch through George, Ginny, my sister and friends up in Brentwood.

I do like being close to my son and family and I like this area. I am going to First Christian Church here in Smithville...There isn't a Presbyterian Church in town...

I truly enjoyed my years at Bethel.

--Willie Mae Mears

### A note about the "Quilt that Helped

**Move a Church"** -- Bethel's Quilt project is still a work in progress. We have sold quite a few blocks, enough to make a good-sized banner, and now it's time to start putting it all together. Many of you have donated money, picked out fabrics, and signed your names to the center square of your block. Several of you have paid your money but need to pick out colors or sign your blocks. Please contact Karen Schall before November 19 to take care of these "little details" so I can begin sewing. (This is the part I've been waiting for!) If you have not yet signed up for a block, it's not too late. There will be a display set up at our family supper on November 19<sup>th</sup>, and you can sign up then and I'll be happy to answer any other questions you might have. Thanks!

The value of the building based on insurance appraisal is \$1,339,000. Since the building is not yet complete, its value is not shown in the numbers above to give a more accurate picture of where we stand financially. We have begun making draws from our construction loan and are currently making interest payments on this loan.

The Stewardship and Finance Committee would like to thank each of you for your many gifts to Bethel. We know that times are uncertain now, but we trust that God will take care of us individually and as a family in Christ. All gifts are precious in the sight of God, whether they be gifts of time, talent or monetary assets as long as they are given with a willing and loving heart. There is no more generous and loving family than the one we have at Bethel. May God bless and keep you all.
