On Sunday March 8th, those who desired to join Bethel met with members of Session at 9:45. After worship the Parish Life committee hosted a luncheon – with Session members bringing food as well. Session presented their committee responsibilities and opportunities for service, and prospective members shared their faith journeys. It was a time of joy as we celebrated growth in such a wonderful way! On March 22nd, we welcomed new members Treavor Cribbs, Orlando Vanegas, Jr., Diego Vanegas, Orlando & Viviana Vanegas, Sr., Darrell & Chris Guy, Ron & Yvonne Roossi, and Andy Avel & Micki Anderson will be joining us at a later date. for Your Assistance During This Time of Transition

There were dozens and dozens of people giving generously of their time and talents, especially during the weeks leading to our big move! If I listed all who participated... I would be sure to leave someone out. So, to those of you who helped...our grateful thanks for your thoughtfulness and love!

Seeing Is Believing...

When you walk into the worship space, how do you know you are in a place of worship? When I walk into a worship space, I'm looking for the table, the font, and the pulpit...it's possible to tell a lot about a congregation by seeing where these pieces of furniture are placed. So, what are we saying at Bethel as you look upon our new sanctuary arrangement?

Every time I walk into a worship space I want to be reminded of baptism—Christ's, my own, and the baptismal promises we have made. In baptism, we are sealed. We die to what separates us from God and are raised to newness of life in Christ.

What about the pulpit? This is the place where God's word is read and proclaimed. The church confesses the Scriptures to be the Word of God written, witnessing to God's self-revelation. Where that Word is read and proclaimed, Jesus Christ the Living Word is present!

As for the communion table, we are gathering to celebrate the Eucharistic meal of our Lord, and it's a big deal...a very big deal! It's not just a table to hold the flowers... The Lord's Supper is the sign of eating and drinking in communion with the crucified and risen Lord. Look for the table to be set symbolically, even when we are not celebrating communion. We want to be reminded each and every week that we are renewed and sustained by Christ. In

remembering, believers receive and trust the love of Christ present to them and to the world.

The furniture in a space for worship makes it a place for worship. Every member of our congregation (children, youth and adults) and our honored guests learn about our faith through what we do together in that place with the table, the font, and the pulpit. The arrangement is a visual representation of what we believe and what we hold dear. What are we teaching them about our Reformed identity? If it looks a little different to you, know that we intentionally arranged the furniture to bring the Word and the Sacraments into prominence.

You'll also notice that we no longer have a modesty rail. No, we didn't run out of money! We intentionally opened the space to visually proclaim that everyone has direct access to the Word and the Sacraments, not just the worship leaders.

The Book of Order tells us that the arrangement of space should visibly express the integral relation between Word and Sacrament and their centrality in Christian worship [W-1.3024]. We have attempted to arrange the furniture in such a way that when people look upon the arrangement, they will know what we believe.

Julie Bunch, for the Worship Committee

From the Parish Nurse

Spring is here and children are getting out and becoming more active. A recent news report related the tragic death of actress Natasha Richardson from what appeared to be a minor fall suffered while skiing. Serious trauma to the head may include bleeding internally, even though the person feels fine and appears to have no symptoms. Dr. James J. McCarthy, assistant professor of emergency medicine at the University of Texas, Medical School at Houston noted "You've got confined space inside the skull, and blood from the injured blood vessels flows into the same space that the brain occupies. This

growing clot of blood starts taking up more and more space, and puts pressure on and decreases the flow of oxygen to the brain." This pressure causes the tremendous headache the patient feels. The brain can literally be squeezed to death.

Children or persons with normal blood-clotting ability may be less likely to experience internal bleeding. However, persons on blood thinners would be at a much higher risk. The most serious symptom associated with pressure on the brain is unconsciousness. Other symptoms may include headache, weakness, balance problems and nausea or vomiting. Any head injury followed by these symptoms requires immediate medical attention.

As always, to your health.....Deb

Take note of this...

MOVING DAY PREP: We need to schedule the times to re-enter Bethel. Pews should be in by Friday. The pew cushion guy is coming Tuesday night to measure...during Stephen Ministry (Jerry will meet him). The carpet will be finished this week. The floors (tile) still need to be stripped by the contractor before John can wax them. It looks like the phone in the elevator might be in today...and the panel for the phone system moved. Dick will contact the city for final inspection when that happens.

Moving in next week looks like a possibility. The organ will probably be installed then as well...

Relay for Life Luncheon for

April 19th immediately following worship in our new Fellowship Hall. Donations to benefit Relay for Life. Bethel's team that will be cooking that day will be: Deb Hyder, Teresa Hettrick, Melanie, Eden and Caleb Sherrod. Donations welcome. Please plan on attending and bring your appetite! Luminaria will be on sale for \$5.00 for the night of the Relay (May 14th) The name of our team is "Choppin' Down Cancer". Menu items are: ham, baked potato bar, salad and drinks.

*Spring Church Hike to
Point Trail*

Our next Presbyterian / Methodist church hike will be on Sunday, April 26. We'll be doing a 3.8 mile (round trip) venture on the Point Trail near the Lilly Bluff Overlook along the northern edge of the Catoosa Wildlife Management Area at the Obed River near Wartburg. This is the same hike we were planning for last Spring before being rained out (pray harder for good weather this year).

We'll plan to carpool up immediately after Bethel's 11:00 Worship Service, hopefully arriving there before 1:30. Everyone should bring a sack lunch to eat at the trailhead before we start. The hike's difficulty is described by the Park Service as moderate to difficult, but since it's an out and back, if you get tired along the way, you can stop for a rest and hook back up with the main group on their way back. As always, bring plenty of drink, raingear (depending on the weather), and probably a snack (in addition to your snack lunch) for when the hike is over. It would help if we know you are coming – let Mark Banker (376-2118) or Joe Coen (376-9033) know.

Notes and Letters:

Phil and Jane Walsh want to thank the Bethel congregation for their support during Phil's heart surgery and recovery period. We especially appreciate all those who were with Jane during the surgery and who visited afterwards. This emotional and physical support as well as the many emails, cards and telephone calls lifted us above the crisis.

THEY'RE BACK!!!

Many requests have been made to order more No Streaks Microfiber Cloths. The order was placed, cloths have been processed and are ready for your purchases. The cost remains the same - \$6 for one and \$10 for two. All proceeds from the sales will benefit our building fund. Please make checks to Bethel Presbyterian Church and indicate on your check for building fund - No Streak cloths. The cloths are available in the church office or you can contact Marilyn Harris at 539-4779 for more information. Happy Spring cleaning!!

And thanks to Jill McMaster for this tip: www.paperbackswap.com is an internet site where you can trade books (paperback and hardback) for merely the cost of postage. You initially list 10 books for swapping and get 2 credits. Then for every book you mail out, you get another credit. Each credit may be redeemed for a book (postage free).

I listed 10 got my 2 credits and immediately got 4 "hits" for people awaiting my titles. After sending those 4 books (mailing labels are easily printed off), I have 6 credits and I have ordered 3 books. As an (unexpected benefit) I have received very nice comments from recipients!!!

This is not only "green", it's fun.

The Work of Everyone!

What is Christian Stewardship? It is the care and use of all that has been given to us by God and is often explained in terms of talent, treasure and time.

We are all blessed with many varied talents. Those who love interacting with people and love talking would make great Greeters. Those who love children would make great Nursery Volunteers—calling all Grandpas and Grandmas! Those who love to sing would make great Choir Members. ***The use of your talent for the work of the Lord is one of the most personally fulfilling opportunities of your lifetime.***

Our treasure is both a gift and a burden. Too often, we become consumed with material goods. Yet, we can live life simply if we choose and still enjoy many of the luxuries life has to offer. Justice requires us to consider the needs of others as we enjoy the gifts we have been given. Our use of treasure to support the charitable works of the church and in society helps to bring justice and equity into the world. ***The use of your treasure for the work of the Lord is one of the most personally fulfilling opportunities of your lifetime.***

The gift of time is just that—a gift. None of us knows exactly how much time we have been granted on this earth. In the time that we have, we are asked to use that time effectively by continuing the mission of Jesus Christ throughout our days. This is the most precious gift that Bethel PCUSA has given me! Nothing keeps us from serving the Lord with all our hearts—not illness, nor injury, or age. What profound witness it is to serve the Lord with gladness! At church, at home,

for handing on the faith to future generations and to the un-churched. Our participation in ministry helps to guide ourselves and others with whom we have influence on how to lead a Christ-centered life. ***The use of your time for the work of the Lord is one of the most personally fulfilling opportunities of your lifetime.***

Time is fleeting. Make the most of yours by using ALL of your gifts to follow in the footsteps of Jesus! Here are some ways that you can serve the Lord at Bethel PCUSA:

HOSPITALITY MINISTRY—We need Greeters and Ushers for all services. Greeters greet members and visitors prior to services and wish them well as they leave the church to go into the world. Ushers assist with the collection of the offering during the service. Greeters and Ushers can be the same people—a two-for-one opportunity!

SANCTUARY STEWARDS—The sanctuary doesn't just straighten and clean itself (although it is a truly magical place!). We need folks to straighten up the pews (put the hymnals back in the racks right side up, collect communion cups for washing, collect attendance sheets, etc.). We also need more assistance with communion preparation and clean-up. Peggy Shepherd has almost single-handedly done this job for many, many years. Thank you, Peggy! Peggy needs assistance as we have "gone green" with communion service. Trays of filled communion cups are much heavier and by using glass cups, they need to be washed and stored after each use. The Worship Committee is purchasing dishwasher trays to assist with the washing!

(continued on next page)

(continued from page 6):

Décor in the sanctuary changes with the liturgical calendar, so if you've got an eye for style, please sign up to assist with the décor under the leadership of the pastors.

WORSHIP LEADERS—At Bethel, we believe that “In Jesus Christ, the Church is a royal priesthood in which worship is the work of everyone.” [BOO W-1.4003] The people are called to participate. We need elders to serve communion, children AND YOUTH to serve as acolyte/ushers to carry the light and collect the offering, readers to serve as liturgists, and men and women over the age of 18 to assist our Nursery Worker in providing care to the little ones so that their parents may participate in the worship service and be restored.

In the narthex on the table outside the main sanctuary entrance, you will find a three-ring binder with all these opportunities for Christian Stewardship outlined. We ask that you intentionally pray over this request and listen closely to what God is calling you to do at Bethel PCUSA. If you hear God calling you to serve in this way, all you have to do is say, “Here I Am, Lord” and sign-up and serve! If you hear God calling you to coordinate any of these activities...please let a member of the Pastoral Leadership Team or the Worship Committee know. There are many members of the body who may not be able to physically participate in these activities, but you could really work a phone! We are VERY OPEN to having volunteer coordinators who would recruit folks for any or all of these activities by phone.

Julie Bunch, for the Worship Committee

In coming months:

The Parish Life Committee invites mothers, daughters, grandmothers, nieces, and aunts of Bethel and KUMC to enjoy our annual Mother's Day Luncheon at the Roane State Community College Cafeteria on Saturday, May 9. Due to college graduation events, the luncheon will start at 12:30. Cost is \$12 for adults and \$8 for children under age 10. Prepaid reservations should be made by May 3 at the Bethel office. If you know of someone who doesn't have family locally, feel free to 'adopt' an extra mother or grandmother for the day!

Camp John Knox is gearing up for summer! You can go online now and look at all the offerings for this year — you can also register online at the same time! The website address for Camp John Knox is: www.johnknoxcenter.org

Prison Ministry

As many of you know, Bethel has been involved in ministry to the inmates at Morgan County Correctional Facility for many years. At present, the state is in the process of greatly expanding the facility, with all the attendant growing pains. Please be in prayer for all of the inmates, staff and administration as they go through their transition to new quarters.

As part of the moving process, the two inmate banquets that were scheduled for March were postponed and will be re-scheduled sometime in May. Many thanks to those who offered to furnish desserts — we'll follow up when we know more.

The *Landscape Committee* is hoping to create a dynamic, environmentally friendly, pesticide (insecticide/herbicide) free, low-maintenance landscape that will appeal to the majority of our congregation. At the present time, the flat areas will be grassed and the slopes mulched. Eventually, trees and shrubs and other plantings will be added in designated areas. The Landscape Committee would appreciate your suggestions which will be considered before the final drawings and planting decisions are made. These drawings will be submitted to session for approval. Committee members are Cathy McDowell, chair; Sam and Joan Davis, Karen Schall, Ruth Ann Ludwig, Micki Anderson, Mike and Jeanette McElhinney and Phil and Jane B. Walsh.

Prayer Reminders

The members and regularly attending friends of Bethel are assigned to elder care groups. Each month, we publish the list of one or more elder care groups in the newsletter for your prayers. The elder's name and phone at the top of the list are listed as a reminder of their role in nurturing and supporting those who belong to Bethel. You should feel free to contact your elder or the pastor if you have a particular spiritual need or other matter that needs to be brought to our attention.
